

You are receiving this letter in regard to our upcoming week long Rigger Training Seminar. Classes will include three days of classroom work covering topics from terminology to basic rigging math concepts. These classes will be held at the Local 10 Union office. The remaining two days will be held at the Key Bank Center Arena where you will be taken through both up and down rigging classes and finish with hands on practical applications.

These classes are open to anyone in good standing who is on our current referral list. The Rigging Committee will compile a list of applicants from which to choose. Applicants who have previous rigging experience will be selected first. This initial class will be limited to fifteen applicants. Future training seminars will be available.

Classes begin on Monday, June 3, 2019 and run through Friday, June 7, 2019. If interested complete the required information below and return to :

I.A.T.S.E. 10 Local 10, 700 Main St., Suite 200, Buffalo NY 14202

There is no cost to participants.

Thank you,  
Brother Alan Forcucci  
Rigging Committee Chairman
